## NEW FIRE STATION OPEN FOR BUSINESS IN RED ROCK RED ROCK VILLAGE RESIDENTS SHOULD NOTIFY THEIR INSURANCE PROVIDERS

RED ROCK, AZ – January 6, 2015 – The Avra Valley Fire District has opened its fourth fire station to serve the greater area thanks to collaboration with Pulte Homes. Fire Station No. 194 opened for business on January 2, 2015, and is staffed with 24-hour response teams.

This new station will not only provide area residents faster response for fire and emergency medical services, but it will also greatly reduce property insurance rates for nearby homeowners. ***Residents should contact their property insurance companies to take advantage of lower ISO ratings.***

The District has an ISO rating of 3/8b. Homeowners in Red Rock were more than five miles from a fire station prior to the opening of station No. 194. This meant that the 8b rating applied to their properties. ***Upon the opening of the new facility the lower rating of 3 now applies.***

The address of the new station is 21021 E. Homestead, Red Rock, Arizona, 85145. It is located on a parcel bounded by Homestead on the north, Spirit Lane on the east and Sasco Road on the south.

Questions may be directed to the Avra Valley Fire District at 520-682-3255.
